# Custom Honeystix Price List

Prices effective February, 2025

Service	Price
<b>Pail:</b> Each full five gallon pail yields approximately 4,000-4,500 stix	\$ 250.00 (plus shipping)
<b>Drum:</b> Each drum yields 26 to 28 cases of stix. Each case contains Approximately 2,000 bulk stix. We require table-grade liquid honey in a standard 55 Gallon food-grade metal closed top drum with a 2" bung.	Partial Drum (20-30 Gallon)- \$1000.00 Full Drum ----- \$1800.00
<b>Fees</b> <b>Handling:</b> Leaking, overflowing, or any other extra handling ----- \$100.00 per instance <b>Flavoring/Coloring:</b> Any calculated, or measured flavoring or coloring ----- \$50.00 per instance	

**Flavored, Colored & Infused Honey:** We welcome your flavored and/or colored honey. Please contact us prior to shipping to discuss any instructions and/or fees associated with putting your honey into stix. A List of all ingredients must be included with the honey. **Failure to do so could incur an additional fee, rejection of the product, or other required actions.**

**Please notify us when shipped:** Send email to [ship.honeystix@gmail.com](mailto:ship.honeystix@gmail.com) when you have shipped your drum(s) or pail(s) to let us know you're tracking number(s) so we can schedule production of your order. All payments must be received before production starts. Our accepted payments are Visa, MasterCard, Discover, American Express, and PayPal.

**Shipping tips:** FedEx and the U.S. Postal Service will handle pails more efficiently if they are not enclosed in a box. Please make sure that your **name, address, phone number, and type of honey** are directly on the pail. For added security, wrap a 2" wide band of duct tape or packing tape around the belt line where the lid meets the bucket. Our Custom Packing **minimum** order is a (5) gallon pail.
